

Colours for your Shed – What are your choices?

There are quite a few choices when it comes to your shed, you can go to <http://colorbond.com/colour> to pick from the Classic and Contemporary range of colours. There are also quite a few different places to apply those colours, as you can see from the shed below. If you want to change your nominated colours, email our office within the next three business days to update your colours.

Options for colours:

- Roof cladding colour
- Wall cladding colour
- Roller door colour
- Sliding door colour
- PA Door colour
- Window frame colour
- Barge flashing colour
